The Bradonian Staff, and the entire student body, feels a deep and lasting affection for our Cooks and Janitor.

Mrs. DeWeerth, Mrs. Burt, and Mrs. Schindler put in a great deal of work to prepare a good noon meal for everyone. Their friendly manner and help on special projects such as the Senior Spaghetti Supper along with their delicious meals endear them to us.

Mr. Wallace, or Randy, as most of us call him, spends a great deal of time and energy in cleaning, repairing, and making this a pleasant place to live and work. He always has a smile and friendly hello for each of us. Little do we realize the time and effort necessary on his part to make our school year complete. He is here for every activity and ends up helping us with most of them.

With gratitude in our hearts for these four wonderful people, we gratefully dedicate the 1969 Bradonian to

Board of Education

The Board of Education is continually plagued with problems—finance, curriculum, teacher recruitment, and a multitude of other essentials of education. The Student Body congratulates and thanks the members of the Board of Education for their community spirit and time in shouldering the problems of education for the youth of the Bradford Area.

Betty Collins

Principal and Secretary

Telephoning is only one of the seventeen thousand things each day that is handled cheerfully and efficiently by our principal, Mr. Jones. The day usually begins with seeing teachers to help with their problems, and progresses through such items as building maintenance, lunch ticket sales, reports, school finances, and heaven forbid—discipline. At various times throughout the day, teachers and students will see Mr. Jones strolling from room to room checking on progress of classes. Perhaps the single item that most students truly appreciate is his interest in each individual. He is always available to talk with a student so that he can help with personal problems, obtaining scholarships, advice on good study habits, or even organizing a dance. His firm hand and friendly smile make BHS an efficient and pleasant place to work toward our goals. Mr. Jones has spent approximately twenty years as Principal of Bradford High School. For all of these things, and more, Mr. Jones, the students and faculty salute you.

Without Mrs. Collins, the day of our principal would be even more turbulent and busy. Mrs. Collins begins each morning by selling lunch tickets, making out absence slips, and helping to organize the day. Checking absences, typing letters, keeping records of organization and school funds, and helping with students' problems keep her busy throughout the day. Even though we hear her typewriter clacking away at about five hundred words a minute, we know that Mrs. Collins will gladly stop, smile, and do all she can to help with whatever she can. She has spent a great deal of time and work in co-sponsoring the Senior Class this year. Our sincere thanks go to this very efficient lady.

Cooks and Janitor

Janitor Randy Wallace takes a well-earned break during the afternoon.

The cooks have done their usually superb job of preparing a fine menu for each school day. The students certainly appreciate the good food and generous helpings.

This has been an unusually difficult year for our janitor, Mr. Wallace. From September through December, Mr. Marion Harris was the other janitor. At that time, he left for a business of his own. From December through March, Ron Barks and Jack Bauer, along with a bit of help from other boys, have managed to do the job under Randy's direction. Mr. Bob McCann began work in April.

We realize that sometimes we don't clean up our plates and wipe off our shoes, but we do sincerely thank these people for looking after us.

SYLVIA ELAINE SWISHER

Chorus 1,2,4. Transfer from Davenport N.D. Work to be completed.

Through four years at Bradford High School, the Class of '69 has had many pleasant and memorable experiences. Both class plays were very successful as were most of our money-making projects. The entire class worked willingly on these projects to make the Washington Trip during April of 1969 possible. The Trip was surpassed only by graduation as our most memorable experience. Prom, of course, was the social highlight of each of our last two years at BHS. Each member of the class will continue to benefit throughout life by the many things we learned while in high school. Our special thanks to Mr. Jones, the principal, and to the faculty for their kind help and understanding. It is with fond regret that we say good-bye to Bradford High School.

Head Coach Mitch Wiss and the Panther Grid Squad worked throughout the season but were unable to bring home a victory. For the most part, inexperienced underclassmen dominated the team, gaining valuable knowledge and training. Outlooks are brightening for these young Panthers. We are looking forward to bigger and better things during the coming season.

Do I hear a whistle?

Tom moves in for a rebound.

Even though the won-loss record would not show it, the Panthers had a fairly good season. Eight of our games were lost by five or fewer points. Several games went into overtimes and were real heartbreakers when the final scores were in. In our conference, we scored a higher number of total points than did several other teams. Dave Klumpp made the first all-conference team and Steve Smith was elected to the second team. We are proud of our boys and wish them the best of luck next year.

Don't pester the passer, Bud!

Move in there, Ed!

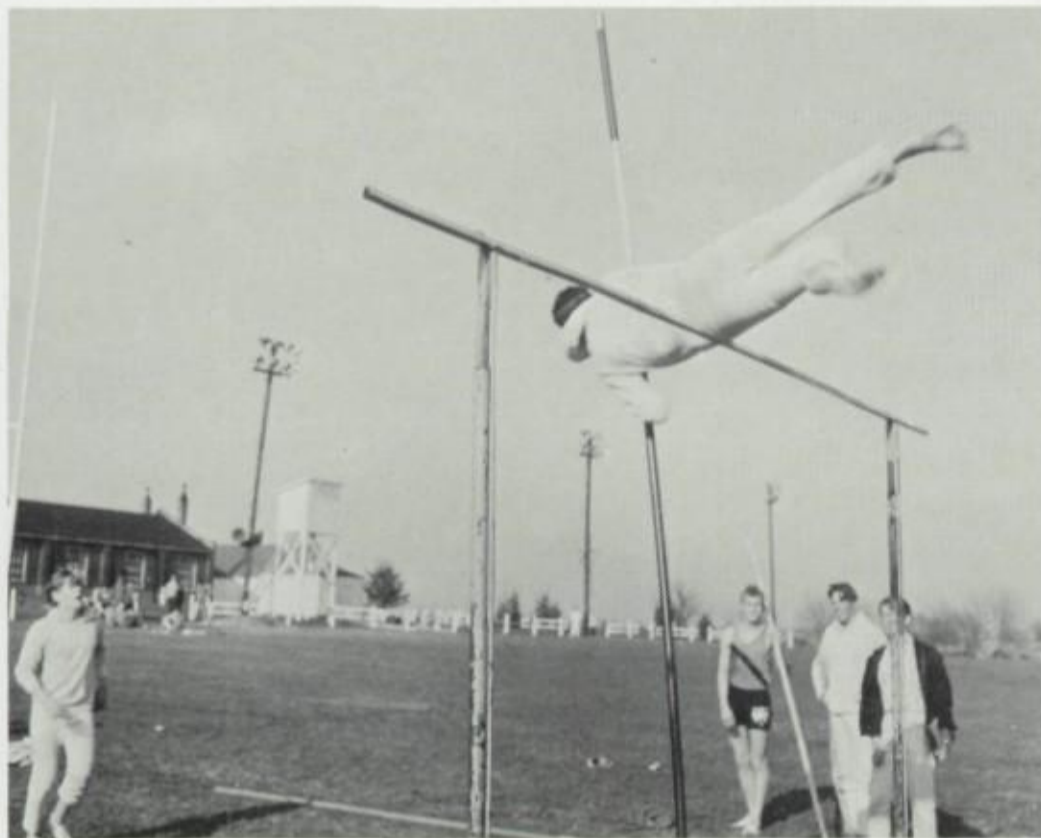

Bradford Panther Baseball Team members were (First Row) John Purtscher, Kevin Janicki, Pat Barnes, Steve Smith, Phil Snell. (Second Row) Henry Anderson, Parker Knoll, Ed Fuertges, Tom Fulks, Dennis Holland, Pat Purscher, and Coach Hoover.

Bradford Spring

The Panther Baseball Team played only six games this season. Unfortunately, we were unable to win even though several games went into extra play. Coach Hoover has expressed a hope that with a larger squad next year, our won-loss record will reverse itself. The Track Team did fairly well this year, placing third in the conference. Many of the team members were underclassmen thus giving the hope for a tough team next year since we will have had added experience.

Up, Up, and Away!!

Coach, you sure know how to hurt a guy.

Gee whiz! I hope that's soft!

Panther Cheerleaders

These girls worked very hard all through the school year to spur the team on to greater efforts and to raise and maintain school spirit. They put on several pep meetings during tenth hours and provided us with new and rousing cheers as well as the old stand-bys. Our thanks to a group of hard working gals.

Sandy Stichling and Andy Apathy work diligently as Mr. Fryrear supervises.

The Bradonian staff this year consisted of hard working members. They worked hard, trying to get the yearbook to the publisher on time. Some things were changed this year, and as a whole, the staff is very proud of the yearbook. Much work goes into the yearbook every year and the staff puts in a lot of effort. The job starts with the photographers who seem to always have their cameras ready at the right time. Then after the pictures are developed, they have to be cut down or blown up to the right size and fitted onto the pages. Then the staff has to think up captions to go under the pictures. All this work is no easy task, so everyone should appreciate all the time and effort that the Bradonian staff puts forth.

1968 Homecoming

The 1968 Homecoming festivities at Bradford High School were held October 17-19. Homecoming tradition was broken this year by having the parade and the bonfire on Thursday night. Election of Homecoming King and Queen was also changed. Three boys and three girls were selected by the Senior Class and then the student body voted on them by the sell of their Homecoming tickets. The boy and girl with the most votes was chosen King and Queen.

On Friday night, the Bradford Panthers faced the Wethersfield Flying Geese, and in spite of their efforts, the Panthers were defeated.

The Homecoming Dance was held on Saturday night. Music for the evening was furnished by "The Attire". The highlight of the evening was the crowning of Queen Alice Johnson and King Bill Coleman by Student Council President Steve Smith.

The F.H.A. and F.F.A. held two barn dances this school year. Our energetic caller for both was Mr. Don Caldwell. Everyone who attended the barn dances had fun and a lively time. The first dance was held in the Ag Shop, and the second was held in the gym. There was no royalty for the first dance. Reigning over the second were Queen Linda Burwell and King Dave Klumpp with Kathleen Blaisdell as Princess and Prince Tom Wilson.

Graduation! After four years of hard work the members of the class of 1969 received their diplomas. There were many happy memories, fond remembrances and sad farewells to teachers and friends as the class of 1969 stepped from their high school days out into the world.

Valedictorian of the class was Kathleen Swisher with a grade average of 5.00, and salutatorian was Martha Johnston with a grade average of 4.91.

Eva Atunga from Huancayo, Peru.

Antonio Neto from Brazil.

Foreign Exchange

This year Bradford High School was privileged to have among its student body, two foreign exchange students from the International Youth Fellowship.

Tony Neto, from Brazil, arrived shortly before Christmas and stayed with the Beryl Coleman family for three months. During this time, Tony attended school—both classes and extra-curricular activities.

Eva Atunga, of Peru, arrived in late December to spend six months in the Lyle Doye home. Eva studied several subjects during her stay in Bradford which included private French lessons from Miss Gray. Eva too enjoyed the extra-curricular activities.

Both Eva and Tony learned much from their stay in Bradford, but the learning wasn't one-sided. Both the students and faculty of B.H.S. learned a lot from Eva and Tony, and grew to love them very much. Now that they are gone, we miss them greatly and will always have a place in our hearts for them, for they were our very first foreign exchange students.

During the summer of 1969, three Bradford students were foreign exchange students to South America. Gloria Adkins went to Columbia, Cheryl Doye went to Ecuador and Peggy Harmon went to Argentina. All three girls stayed with families in their respective countries for three months.
